Agenda

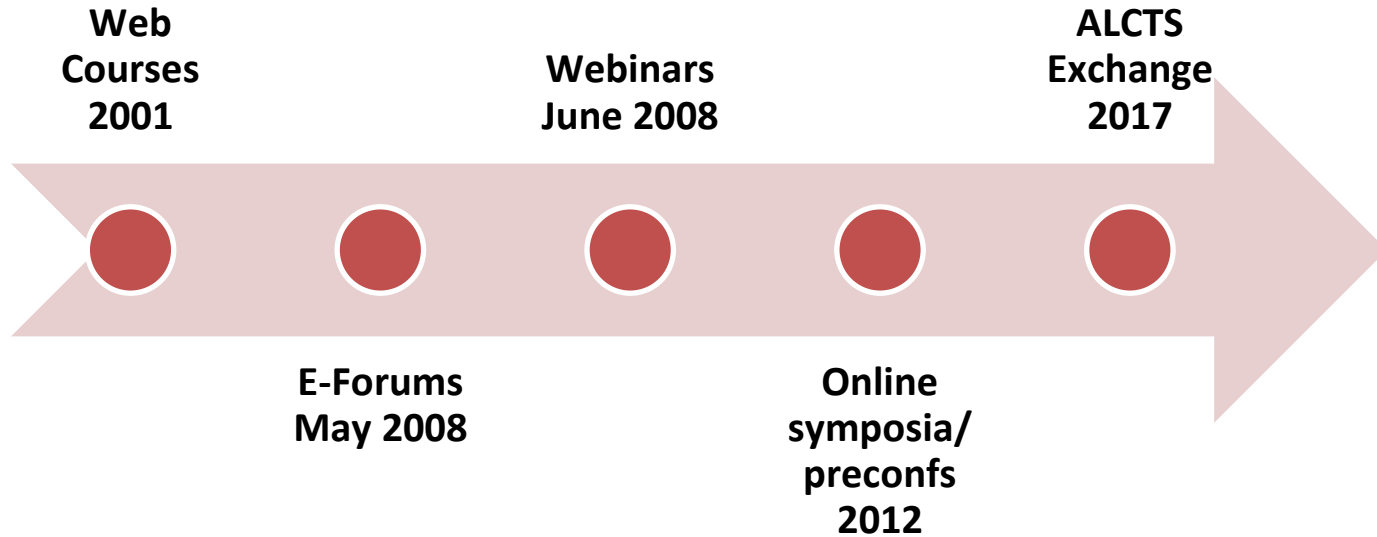

- Introduction
 - ALCTS goals for engagement
 - Why the Exchange?
- Values-driven planning
 - Inclusivity
 - Interactivity
 - Innovation
 - Impact
- A conversation:
 - What have we learned?
 - What does success mean?
 - How will this experience shape the future?

ALCTS and Continuing Education

- Membership organization focused on collections and technical services
 - Acquisitions and licensing
 - Cataloging and metadata
 - Collection development and management and scholarly communication
 - Continuing resources and serials
 - Preservation and digitization (and digital preservation)

ALCTS and Continuing Education

Why the Exchange?

- No “national forum” for tech services writ large
- Need for online, accessible continuing education and professional development
- More people at the table
- Celebrate 60th Anniversary

Values-Driven Planning

- Inclusivity
- Interactivity
- Innovation
- Impact
