

Chat Transcript – ALCTS Exchange 2017 | Gone but Not Forgotten: A Remote Storage Success Story

Lynn Gates [Colorado Springs, CO]: yes, of course we've never really weeded either University Libraries at The University of Akron [Akron, OH]: We may need space for other reasons

Debra Borrelli [Morgantown, WV]: already have one

Laurel Narizny [Caltech] 2: voted no because we implemented one last year

Tori Lyons [Chesterfield, MO]: We are already using remote storage, as well

Sharon Farnel [University of Alberta]: In the process of transition

sumpcre@okstate.edu [] 2: We already have two remote storage facilities

Kathryn Donahue [Colby College, Waterville ME]: Colby built a storage facility a few years ago, allowing for 10 years of growth.

sumpcre@okstate.edu []: we converted one off-campus building over 15 years ago, then built an on-campus facility two years ago

Vicki Sipe []: What was your complete selection criteria?

Fariha Grieme [University of Minnesota]: How did you handle multi-volume monographs?
